Ms. Pennise – I'm the EPA Project Manager for the Ringwood Mines/Landfill site. In response to your October 23, 2020 inquiry, please note that EPA currently anticipates that on-site construction of the next cleanup action will begin during the Spring of 2021. You may wish to contact Craig Coslett, the Supervising Contractor for this project, at (610) 360-7539 or ccoslett@demaximis.com, to further discuss the need for lodging during the upcoming project.
